This Townhouse is in a quiet street in the centre of El Vergel, close to Oliva, Pego and Denia and Ondara. This house is in an ideal location for good shopping, the beach, the mountains, community of El Verger, restaurants, DIY shops. Everything you could want in one town. The house itself is large and has a downstairs with garden and and upstairs with a terrace. Downstairs there are 3 bedrooms plus kitchen, living space, 1 bathroom/ separate toilet and a walled garden with entrance along the side of the house to let a car enter into the back of the house. Upstairs there is a small kitchen, 2 bedrooms, bathroom and terrace. The upstairs is reached from a separate door to the side of the house but could be easily incorporated to make it one big house. There is a lot of work to be done on this house but at the right price it is worth it. There is room to negotiate on price.
